#### **WAGER CANCELED/REFUND**

Following the running of the ninth race, we received a call from the pari-mutuel manager to the effect that the Super Hi Five wagers had to be refunded as there were only five runners. JOHN FERRERO stated that the ARCI rule under which the wager is conducted, has to have seven runners when wagering starts, and there must be a least six horses finish. The bet never should have been offered as there were only six runners to begin with. The racing secretary has been alerted to this fact. Announcements were made as to the refund, which totaled \$41,172.13.
